We will strive to be highly motivated, highly trained, and highly competent. Superior ethics, morals, and conduct will be our standard. We will provide the citizens of the Town of Greece the quality service they deserve and expect. Our integrity and professionalism will be our hallmark.
The roots of the Greece Police Department can be traced back to the first Town Board Meeting which was held on April 2, 1822. At that first meeting, three Town Constables were appointed. The duties of the Town Constables included, but were not limited to settling family problems, neighbor disputes and catching stray animals. In 1869 the first Town Lock Up was built at a cost of $25.00. In 1908 a 20 mile per hour speed limit was posted on West Ridge Road (for motor vehicles) and the Constables were empowered to “arrest speeding violators.” The Town Constables were utilized from 1822 through 1932. In 1932 the Greece Police Department was formed. Milton Carter was appointed the first Chief of Police along with three part-time Police Officers. The Greece Police Department was housed in a room at the Barnard Fire Department from 1932 to the mid 1950s when the Greece Town Hall at 2505 West Ridge Road was renovated and enlarged and the Greece Police Department moved into the lower level. The Greece Police Department was housed at the Greece Town Hall until September 1975 when it moved to its current location on Island Cottage Road. The Greece Police Department has 100 sworn personnel who patrol and protect 42 square miles of land (which is 4 square miles larger than the City of Rochester), and serves a population of approximately 100,000 people.
SUPERVISOR BILL REILICH BREAKS GROUND ON NEW GREECE POLICE DEPARTMENT HEADQUARTERS
JANUARY 20TH, 2016

Greece Town Supervisor Bill Reilich was joined by Greece Town Board Members Mike Barry, Brett Granville, Andrew Conlon, and Diana Christodaro, along with County Executive Cheryl Dinolfo and Sheriff Patrick O'Flynn for the official ground breaking ceremony of the new Greece Police Headquarters. This project is a culmination of a year of planning to create a new $9 million state of the art facility.

The new addition to the Greece Town Campus will be located at 6 Vince Tofany Boulevard. Construction on the new facility is set to begin shortly after the groundbreaking with an anticipated completion date in early 2017. The nearly 30,000 square footage of new space will contain holding cells, an evidence storage area, a training facility and an interrogation room. Additionally, the new department will house both patrol and investigation units.

“While our crime rates are low, public safety has always been one of my top priorities. This historic ground breaking ensures that the safety and well-being of all residents is taken into account when planning the future of our town,” said Supervisor Bill Reilich. “The new state of the art facility will help to deliver needed upgrades and improvements for our police force and expand overall productivity. The Town is excited to finally give the Greece Police Department and its residents all the upgrades needed to ensure the safety of our town well into the future.”
